

FOCUS AREA: LIBRARY INSTRUCTION & PROGRAMMING

Objectives:

Library instruction and programming should connect to the real world and support BIYOC’s action in their own communities. It should employ an inquiry-based model of instructional strategies that builds on strengths and interests of BIYOC and leads to improved academic achievement.

Characteristics:

Effective library instruction and programming is:

- *Challenging:* High expectations are set for all students.
- *Authentic:* It accurately represents and reflects the breadth and complexity of diverse communities.
- *Collaborative:* It is developed in partnership with other librarians, teachers, community members, and/or students.
- *Engaging:* It is designed to encourage participation among all learners.
- *Asset-Based:* It builds on BIYOC’s prior knowledge, including cultural knowledge.
- *Culturally Sustaining:* It integrates students’ cultures in an authentic and meaningful way that validates students’ identities.
- *Empowering:* It prepares BIYOC to take action to improve their own lives and communities.
- *Relevant:* It is connected to students’ daily lives and/or community issues.
- *Student-Centered:* It prioritizes BIYOC’s needs, interests, and input.
